

THE YOUNG SONGWRITER 2022 COMPETITION

HELPING EVERY CHILD FIND THEIR VOICE & TRIBE

1st February to 31st March 2022

RULES & GUIDELINES

The Song Academy Young Songwriter 2022 Competition is open to young people aged 8-18 years (i.e. 8 years to under 19) both living in the UK & Ireland and outside of the UK and Ireland. Entrants are required to write a song about something that matters to them. To submit a song, all lyrics and music must be the entrant's own original work and must not infringe any copyrights or any other rights of any third parties. The 8-12 year old and 13-18 year old entries will be judged separately. The Song Academy team will select the top 30 finalists for the UK & Ireland 8-12 year old category, the top 30 finalists for the UK & Ireland 13-18 year old category, the top 15 finalists for the International 8-12 year old category and top 15 finalists for the International 13-18 year old category. These finalists' songs will be judged by the Song Academy young ambassadors who will select their top 10 finalists for the UK & Ireland 8-12 year old category, the top 10 finalists for the UK & Ireland 13-18 year old category, the top 5 finalists for the International 8-12 year old category and top 5 finalists for the International 13-18 year old category. These top finalists chosen by the Song Academy team and young ambassadors will be judged by the main judging panel.

Entries to the competition can be submitted individually or in collaboration with friends, school class or family (entries with more than one participant must provide details of all participants on the entry form).

Each entrant may submit up to 5 songs (and 5 additional joint entries). A song entry must have a title. Each song entry mp3 file must be under 10mb. The Song Academy team have written some tips on what makes a great Young Songwriter competition entry on the Song Academy blog. Entry costs £10 per song to cover administration & judging costs.

All song entries must be recorded from start to finish, including all sections of the song. The accompaniment/music must be masterminded by the entrant/s, however can be played by family or friends if the entrant is unable to do so. The entrant must include who's playing each instrument in the recording, whether they've chosen anyone else to sing the vocals and whether they've had any help in the production of the song. Entrants can use songwriting apps such as GarageBand and Soundtrap and their available sounds. Entrants can't use pre-recorded loops in loop libraries. They can record their own loops within their song.

Entrants don't need a professional recording as they will be judged on their originality, lyrics, melody, composition and potential to be a smash hit! However, a good recording can most certainly help to enhance the impact of your song (see the Song Academy blog posts on recording tips). Each category will have a winner and 2 runners-up.

All entries will be judged on the three key criteria shown below to select the top finalists songs. As well as the S factor – is it a sensational song!

Lyrics: Demonstrates both technical and artistic competency, highlighting emerging originality. Material is imaginative and technically accomplished with rhyme, meter & creative language.

Melody: Compliments the chord progression and other surrounding musical characteristics. Melodic content demonstrates variety by using range, rhythm and pitch effectively. Demonstrates the ability to write functional harmonic progressions that complement the melodic content. The melody is memorable.

Chords: Harmonic progressions are balanced and provide a sufficient amount of interest throughout the song in relation to the other musical components.

The judges' decisions as to the finalists and winners will be final.

To help with the development of young songwriters, we also offer a service providing entrants with the opportunity of [receiving written feedback](#) from a music industry professional before entering their songs. A fee of £35 is payable per song for this constructive feedback on each song.
